## **ANNUAL REPORT**

The Academic Year 2024-25 was concluded on 29-03-2025. In this academic year, we conducted various co-curricular and extra-curricular activities as planned. Students were sent to various competitions such as the Chekumukhi Science Quiz, Dhirubhai Ambani Quiz, Open Chess Competition and various Sports events conducted by various organisations. In this year we extended transport facility to a few more villages. A total of 35 villages are now covered by our transport fleet of 8 buses. All the old buses have been replaced by new ones. A new ramp has been constructed as mandated by the CBSE. A new Computer Lab has been setup in addition to the existing one. We continue to offer Artificial Intelligence as a skill subject for the Secondary School students. In this academic year, we offered 3D Virtual Reality show to all our students.
